

## YOUR CCC TECHNOLOGY RESOURCE CONNECTION

Our CETC Ambassador will be the influential and knowledgeable advocate and primary on-campus resource who will consistently promote systemwide CETC services at our California Community College campuses.

## CCC CONFER

### TARGET AUDIENCE:

- Faculty
- Staff
- Administrators

### HISTORY:

The CCC Confer project provides e-conferencing services for all CCC faculty, staff, and administrators. The project is located at Palomar College in San Marcos, California and is funded from a five-year (renewable) grant awarded in 2006 from the California Community Colleges Chancellor's Office. CCC Confer is powered by Elluminate, a leader in e-conferencing.

### DESCRIPTION:

CCC Confer has been designed to allow communication and collaboration, using the latest e-conferencing technology. This convenient and easy-to-use service allows you to get together with one colleague or many, one student or a whole group, anytime, anywhere. Whether you need to meet across the campus or across the state, all you need is your computer and a phone—the service is provided to you at no cost.

Within the CCC Confer family of services, faculty, staff, and administrators can choose the following:

**Meet & Confer** (telephone and Internet or Voice over Internet Protocol (VoIP) and Internet)

**Office Hours** (faculty/student collaboration service—telephone and Internet or VoIP and Internet)

**Call Confer** (conference call—telephone only)

### SERVICES/PRODUCTS:

Collaborate, meet, train, educate in real time...regularly scheduled or on-the-fly. CCC Confer is ADA and Section 508 accessible.

**Meet & Confer:** Using just the Internet and a phone you can meet and collaborate with your colleagues anytime, anywhere. This product can accommodate a number of uses, including trainings, grant collaborations, meetings, or anything else necessary to support the business of education. Its “added features” include advanced polling, live application sharing, and more.

**Office Hours:** This service is designed to facilitate faculty and student collaboration using the telephone and Internet. Meet, counsel, test, tutor, train ... The possibility of uses is plentiful. This is your virtual office space.

**Call Confer:** This is simply a conference call—telephone only. Many groups and committees use Call Confer as their preferred tool for conference calls.

**Online Event Service:** CCC Confer provides planning, training and support services for Webinars (online seminars).

### BENEFITS/EXAMPLES OF USAGE:

- No need to travel
- Work from the office or your home – work from anywhere, anytime
- Easy to manage
- Simple to learn
- Free to use
